

DATA ANALYST WANTED!
HELP EVALUATE PHASE 1A OF THE
RESTORATION OF THE COTSWOLD CANALS

The Cotswold Canals Project wishes to employ a data analyst on a part-time, temporary contract, to undertake data collation, analysis and report writing as part of the Evaluation of Phase 1A of the restoration of the Cotswold Canals.

The successful candidate will work in the Canal Restoration Team based in Stroud District Council offices at Ebley Mill in Stroud, for 14 hours a week, for 8 weeks, starting as soon as possible.

He or she will have:

- a. Academic qualifications and experience in quantitative and qualitative social survey techniques, including extracting data from documents, data analysis, and report writing;
- b. Familiarity with the use of Word, Excel, PowerPoint and a digital database;
- c. Experience in working collaboratively as a member of a small team.
- d. An interest in canal restoration.
