

Help win £60,000 for Stroud!

ITV are coming to film on the canal at Stonehouse on **Wednesday 8th June** and we need as many people as possible to show their support for the restoration of the canal.

Please join us at **midday** for a 12.30 start at the Ocean, on the Canal just behind the Stonehouse Court Hotel.

Please note—parking is limited so please think about walking along the canal to reach us.

This year we are applying for funding for towpath improvements and a podcast heritage trail along the canal.

In 2008 we won £80,000 for Brimscombe Port Walls, help us win for Stroud again!
